Subject: Abatement Information for MRP, Mt. Nebo Scientific, Wellington Prep Plant,
C/007/0012, Task ID #2952

Dear Mr. Collins:

The above-referenced amendment is conditionally approved upon receipt of four clean copies prepared for incorporation. Please consolidate previous submittals into one document and submit it, along with C1/C2 forms, by July 13, 2008.

Once we receive these copies, final approval will be granted. A stamped incorporated copy of the approved plans will be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan.

This modification of the MRP does not require an update to the Division's Master Technical Analysis for the Wellington Prep Plant. If you have any questions, please call me at (801) 538-5262.

Sincerely,

James D. Smith
Permit Supervisor
